## VIRGINIA WINS FROM INDIANS

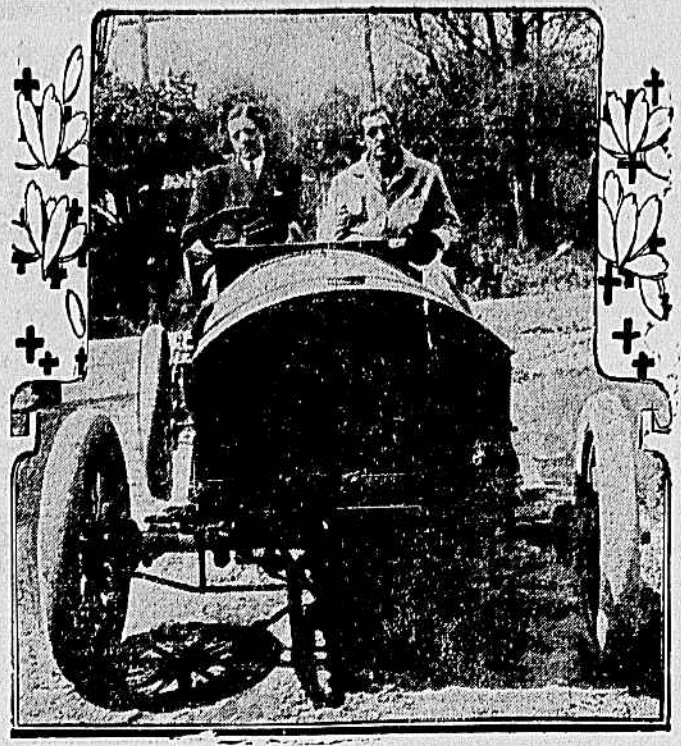

Varsity Successful in Its First Game With the Redskins.

SCORE ELEVEN TO THREE

Carlisle Secured Only Two From Moses in the Box.

(Special to The Times-Dispatch.)  
CHARLOTTESVILLE, VA., April 19.—For the first time in her base-ball history, Virginia met the Carlisle Indians in the diamond today. Virginia won out by a score of 11 to 3, but the contest was much closer than the score indicates. For the first four innings, the Redskins put up a clever fielding game and had the best of the argument, but as the game progressed, they coupled their errors with Virginia's hits and the Redskins took the lead and kept it. Moses pitched a superb game for Virginia, allowing the Indians but two hits, and passing only one batter to first. Virginia scored first on Maddux's timely hit on the second inning. The Redskins also counted in the second, twice coming home on Whicker's pop fly back of second. Two more added in the third on Moses's failure to handle two easy grounders. This ended the scoring for Carlisle. Virginia tied the score in the fifth in a single by Chandler and Moses's triple to right-field. Eight runs were tallied in the remaining innings, due to good stick work by Walker, Hoff, Chandler and Moses. The feature of the contest was Maddux's sensational stop of Charles's hot grounder in the eighth. For the Redskins, Baird put up a good game at bat, and Charles kept the Virginia runners glued to the bases. Score by innings: R. H. E. Virginia.....0 10 0 2 1 1 3 3 3 Carlisle.....0 1 0 0 0 0 0 0 0 Batteries: Virginia—Moses and Chandler; Carlisle—Charles and Baird.

## NEW AUTOMOBILE RECORD MADE ON CONEY BOULEVARD

CANNON DRIVING GROUT STEAMER.

(Special to The Times-Dispatch.)  
NEW YORK, April 19.—The new automobile road record of half a mile in twenty seconds, established on April 1st by George Cannon on the Coney Island Boulevard, Brooklyn, N. Y., has excited no end of enthusiasm among automobilists all over the country. Cannon's performance, which was given in a Grout steam car, has been the cause of much congratulation among those motorists who wear by the steam principle of locomotion. While the time is not an official road record, twenty men held watches on Cannon when he covered the half mile, and among them they agreed on twenty seconds for the distance. Cannon, who is an ex-Harvard student, is confident that his car can do a mile on a beach course in twenty-five seconds. Owing to the comparative roughness of the Coney Island road, it was impossible for Cannon to let the automobile go at its capacity. The road record for a mile is forty-five seconds, made last year in Havana by H. Fletcher. The beach record is twenty-eight seconds for a mile, made last January by a Stanley steamer at Ormond Beach, Fla. Cannon intends to negotiate a beach trial with the Grout car some time in the near future.

## RICHMOND SHUT OUT BY LYNCHBURG LEAGUE

College Boys Put Up Good Fielding Game But Could Not Score.

(Special to The Times-Dispatch.)  
LYNCHBURG, VA., April 19.—Inability to connect with the delivery of either of the three pitchers used by the local State League team, the Richmond College Spiders were shut out here this afternoon without a hit, the final score being 11 to 0. Only two of the visitors reached first base—one on four passes and the other on the muff of a pop fly by Bowen at second. Daringer, for the locals, was at bat five times, drawing four balls four times and securing a sacrifice at the other. The visitors played a good game in the field, and when Throckmorton went into the box in the fifth he stopped the piling up of runs by the locals. LYNCHBURG. AB. R. H. O. A. E. ## VIRGINIA TO PLAY CAROLINA ON MONDAY

Game Between Old Rivals Will Be Hard and Fast.

When Virginia and Carolina, old rivals in the world of college sports, line up against each other next Monday to try the test of the long stick, the game will be replete with good points and star plays, for both teams are determined to do or die and to finish the game with a death grapple. Carolina has the memory of her defeat in football to wipe out; and Virginia has the dear memory of her victory to keep clean and bright, so the game can hardly be otherwise than hard and fast. Virginia has played several games and has shown up well. In her two contests with Yale Virginia broke even, though she went down in defeat before Yale, who also won from Lafayette. Carolina's team is probably the best team the University has put out in many years. It was thought at the beginning of the season that the ruling out by the Athletic Committee of Little and James, last year's star pitcher and catcher, would materially handicap the working of the team; but so far the team has played the schedule without losing a college game. The pitchers for this year are Cunningham, Patterson and Thompson; the catchers, Rogers and Raney. The team is playing good, steady, consistent ball, both in the field and at the bat. Several men on the team have a batting average over .300. The players are as follows: Stem, captain, first-base; Patterson and Montgomery, second-base; James, third-base; Harris, shortstop; Thompson and Hays, left-field; Storm, center; Calder, right-field; Cunningham, Patterson and Thompson, pitchers; Rogers and Raney, catchers. The club will shoot regularly every Thursday, the season opening the first Thursday in May, at which time five of Richmond's best shooters will practice regularly to enter on the Virginia team against North Carolina at the big two-day tournament to be held at Wilson, N. C., on May 24th and 25th. This promises to be a very spirited race, as Virginia has won the cup twice in succession. The score follows: Shot At. Broke "Virginia".....100 100 "Richmond".....100 100 Anderson.....100 100 "Harry".....100 100 "Glenard".....100 100 "Cinco".....100 100 Lawrence.....100 100 Anthony.....100 100 "Smith".....100 100

## Results of Big League Games

Yanigan, 9; North Carolina, 5.  
(Special to The Times-Dispatch.)  
CHAPEL HILL, N. C., April 19.—The Yanigan Club, of Baltimore, defeated North Carolina here this afternoon in a slow game of ball, by the score of 9 to 5. Carolina started off by making two runs in the first inning, assisted by several errors, and kept well in the game; but it was soon evident that the game was against them. Cunningham started in the box for Carolina with a sore arm, but was replaced in the sixth inning by Patterson, who pitched a fine game. The features for the Yanigans were the three bagger by McKinzie and Niek's work behind the bat. Carolina—Cunningham and Patterson, pitchers; Brainerd, first base; McKenzie, second base; James, third base; Harris, shortstop; Hart and Haynes, left field; Story, center field; Calder, right field. Yanigan—Cinlini and Rick, pitchers; Niek, catcher; Furrier, first base; McKenzie, second base; Rick, third base; Fritz, shortstop; Cornell and Rick, left field; Hahn (captain), center field; Woodward, right field. Score by innings: R. H. E. Carolina.....0 0 0 2 1 0 0 0 0 Yanigan.....2 3 0 0 1 2 3 0 0

## FAST RACERS TO-NIGHT

Brent and Taylor to Have Handicap Contest at Rink To-night.  
The big racers, probably the fastest in the South, will race to-night in the big rink at the Reservoir. First, the six fast members of the former relay teams will contest for the record. After that, Brent and Alec Taylor, the two fastest handcap racers, will go a one-mile handcap race. Ever since the two relay teams were first organized the various members, through their regular practice and many trials, have all improved wonderfully, and it is an impossibility to pick the winners from among the bunch of racers to-night. Several of these fast skaters have lowered their time several seconds, and while outside watchers have timed them all and gotten some of their time pretty near right, yet there is a strong feeling of doubt as to who will be the winners of the one-mile races.

## A Tip

TO THE MAN OF SMALL MEANS.  
A NEW AND SAFE PLAN FOR HOME-BUILDERS.

With the three points of economy of loan on your plan, namely:  
(1) Long time easy payments.  
(2) Low rate of interest.  
(3) Small amount to be paid down.

You convert your rent into paying for your home at the least possible cost to yourself, and by having this time long enough and low rate of interest, your average payment of rent will pay for your home during the 101-2 years' time, otherwise you must pay considerable more money in besides the rent.

Why not keep this extra money for other investments, as \$72.00 in dues is the required payment on \$1,000 contract.

The plan, briefly stated, is: On your contract you are eligible to a loan of \$1,000 in six months, during which time you pay \$6.00 a month, and \$86.00 at the end of six months. When paying back this loan, you pay \$6.00 average monthly payment for 101-2 years. If you can beat this, DON'T TAKE OUR TIME.
